- **Others:** Responsive Design, Cross-Browser Compatibility, Agile/Scrum

CERTIFICATIONS

- Full Stack Web Development with React from The Hong Kong University of Science and Technology

PROJECTS

- Social Media Web Application
- Event Management Web Application

LANGUAGES

- English (fluent)
- Hindi (mother tongue)

PROFESSIONAL EXPERIENCE

Software Engineer

Algoworks | Jun 2022 - Present

- Developed and maintained responsive web applications using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and optimized performance.
- Implemented dynamic user interfaces with modern frameworks such as React and Angular, enhancing user experience and engagement.
- Collaborated with designers and backend developers to integrate RESTful APIs, ensuring seamless data flow and functionality across platforms.
- Utilized version control systems (Git) and participated in Agile development processes, contributing to efficient project management and delivery.

Software Trainee

Algoworks | Nov 2021 - May 2022

- Assisted in developing and testing web applications using HTML, CSS, and JavaScript, contributing to the creation of interactive and responsive user interfaces.
- Collaborated with senior developers to troubleshoot and debug code, enhancing problem-solving skills and understanding of best practices in frontend development.
- Collaborated with UI/UX designers to translate design mockups into functional web pages.

Webmaster

Indian Youth Nuclear Society (IYNS) | Aug 2020 - Nov 2020

- Developed and launched a new organizational website in collaboration with the content creator, ensuring a user-friendly and visually appealing design.
- Managed and maintained the organization's main website, including updating existing content and adding new conforming content to ensure accuracy and relevance.
